

## Preserving the faith Since 33 A.D.

The Orthodox Church traces its history directly back to the New Testament Church of the Apostles. We don't claim to have restored the Church. Our claim is to be nothing less than that Church.

When Christ promised *"upon this rock I will build my church; and the gates of hell shall not prevail against it."* (Matt. 16:18), these were not idle words. When the Apostles appointed successors over the local Church communities, it was to fulfill this promise.

We invite you to join us in growing the Apostolic Faith on St. Simon's Island.

*A Changeless Faith in Changing Times*

## St. Simon's Island Mission

The St. Simons Mission is a traditional Genuine Orthodox mission, adhering to the traditional Church Calendar (sometimes called the "Old Calendar") and the historic teachings of the faith. We invite you to join us in this ancient liturgy as we worship the triune God: Father, Son and Holy Spirit.

We invite both Orthodox and non-Orthodox Christians who seek the unchanging Church, free from modernism and compromise. Join us for worship and fellowship as we grow our local mission.

Join us this weekend as we prepare for the coming of Great Lent.
